Institution: China Agricultural University

Address: No. 2 Yuanmingyuan West Road, West Campus of China Agricultural University, Haidian District, Beijing

Country: China

Dear Xiangshu Piao,

We wish to extend an invitation to you to travel to Vancouver, BC, Canada in order to attend the 2018 ASAS-CSAS Annual Meeting & Trade Show. The meeting is a joint event combining the annual meetings of the American Society of Animal Science and the Canadian Society of Animal Science. The meeting will be held in Vancouver, BC, Canada, July 8-12, 2018 at the Vancouver Convention Centre. The Immigration, Refugees and Citizenship Canada' Special Event Code for this event is **18CSAS**. We have also received official event recognition from the Canada Border Services Agency (CBSA) International Events and Convention Services Program (IECSP), File # **PAC\_2018\_11049**.

We hope that you will take the opportunity to attend and hear scientific papers covering a wide variety of topics dealing with animal science and animal agriculture. There is a great scientific program planned as well as social events for you to meet with fellow scientists who share our common interests.

Regrettably, funding for individual travel and other expenses connected with the Annual Meeting is the registrant's responsibility. You may retrieve registration, program, and housing materials from the meeting website:  
<https://asas.org/meetings/annual-2018>.

Feel free to use a copy of this letter for Embassy correspondence. We have your details as follows:

Passport #: PE0821309

Date of Birth: 27 Feb. 1962

Nationality: Chinese

Again, we are very pleased that you will consider traveling to the 2018 ASAS-CSAS Annual Meeting & Trade Show. We look forward to seeing you in Vancouver.

Sincerely,

Meghan Wulster-Radcliffe  
ASAS CEO
